

Cultivating Carolina YARDS

A CLEMSON EXTENSION SERVICE

A FREE Workshop Series

Clemson Extension's Carolina Yards program teaches how using simple and effective gardening methods can create a low maintenance yard that works with nature, rather than against it!

Learn to create healthy, watershed-friendly landscapes in your own yard from **2:00pm-3:30pm every Wednesday in July at the Haig Point Community Center.**

7/5: Maintain Healthy Soil & Reduce Runoff

Be wise when you fertilize and enrich your soil while protecting water quality!

7/12: Recycle Yard Waste & Water Wisely

Transform yard debris into valuable compost and improve your lawn by saving water!

7/19: Manage Pests & Use Rain as a Resource

Beat the bugs and harvest rainwater to save money and help protect our waterways!

7/26: Garden Like a Local!

Learn how plant placement can save water, fertilizer, and money while attracting wildlife!

**Pre-register and get a FREE
Carolina Yards Workbook!**
